(2) It shall come into force at once.

2. *Amendment of the Order:*—In the Kerala Cement Distribution (Licensing and Regulation) Order, 1974, in clause 18,—

(i) in sub-clause (a), the words "multistoried buildings" shall be omitted;

(ii) in the Note under sub-clause (fff), the words "multistoried buildings" shall be omitted.

By order of the Governor,

ARUN KUMAR,
Special Secretary (Industries).

Explanatory Note

(This does not form part of the order but is intended to indicate its general purport)

It has come to the notice of the Government that the District Collectors/ Director of Industries and Commerce are making objections on application for cement from the religious and charitable institutions of public nature for construction of double storied and multistoried buildings Government consider that any such restriction will put them to difficulties. This amendment is therefore, intended to clarify that such institutions would be eligible for levy cement even if they are double storied or multistoried. This would also apply to all the other eligible categories.
